### From Father Kasel

Praised be Jesus Christ through Mary!

Dear Brothers and Sisters in Christ Jesus,

In our current times we are witnesses to war in the Ukraine and several acts of violence and hatred in our county that have claimed many innocent lives. These acts have not only been greatly disturbing, but also tend to inspire a state of fear in the hearts of those who hear about them or experience them. Our good Lord does not want these hateful actions. Nor does He want us to live in a state of fear or terror. In Sacred Scripture our Lord invites us to live in continual trust in His goodness and sovereign power. Thus, even if we see or hear of evil actions, it does not change who God is as our Savior and the need we have for His Divine Mercy to help and save us.

In times past, when people and societies have had to face uncertainties and evils, our Lord has sent our Blessed Mother to call all men and women of good will to increase prayer and works of penance. I think of the year 1917. In that year World War I was raging and great numbers of soldiers and other people were being killed by the violence of war. The Virgin Mary was sent by our good Lord to three shepherd children (Saints Jacinta and Francisco and Servant of God, Sister Lucia) who lived in Fatima, Portugal. She asked them to pray the Rosary for peace in the world and asked them to spread this message around the world. I think we should renew this call for praying the Rosary for peace in our world. Furthermore, the Virgin Mary asked that the children and many others offer acts of penance or self-denial for the conversion of souls - especially those involved in actions of hatred and violence toward God and other people. Given our current circumstances, let us follow these same requests given by Our Lady at Fatima in 1917. I propose that we appeal to Heaven in these ways:

1. At our parishes we will offer a communal Rosary asking for peace in the world before every Holy Mass. The Rosary starts approximately 25 minutes before the beginning of Holy Mass.
2. Can you come early to pray? The violence we see and hear about affects all of us. We all need to do something to foster peace. Prayer, especially with our Blessed Mother in the presence of our good Lord Jesus in the Holy Eucharist, pleases God our Father.
3. Pray the Rosary with your family in your homes each day for peace in the world. If you are not in the habit of doing this, do not worry. You can start with the whole Rosary if you can or simply start with one decade of a Rosary and work your way up to a 5-decade Rosary each day.
4. Let us offer sacrifices to our good Lord in reparation for sin and to petition for peace in the world. Let us start with some with which we are already familiar: offering a penance on Fridays. Here is what the Canon Law of our Church teaches:

“*Canon 1249:* The divine law binds all the Christian faithful to do penance each in his or her own way. In order for all to be united

among themselves by some common observance of penance, however, penitential days are prescribed on which the Christian faithful devote themselves in a special way to prayer, perform works of piety and charity, and deny themselves by fulfilling their own obligations more faithfully and especially by observing fast and abstinence, according to the norm of the following canons.

*Canon 1250:* All Fridays through the year and the time of Lent are penitential days and times throughout the entire Church.

*Canon 1251:* Abstinence from eating meat or another food according to the prescriptions of the conference of bishops is to be observed on Fridays throughout the year unless they are solemnities; abstinence and fast are to be observed on Ash Wednesday and on the Friday of the Passion and Death of Our Lord Jesus Christ.

*Canon 1252:* All persons who have completed their fourteenth year are bound by the law of abstinence; all adults are bound by the law of fast up to the beginning of their sixtieth year. Nevertheless, pastors and parents are to see to it that minors who are not bound by the law of fast and abstinence are educated in an authentic sense of penance.

*Canon 1253:* It is for the conference of bishops to determine more precisely the observance of fast and abstinence and to substitute in whole or in part for fast and abstinence other forms of penance, especially works of charity and exercises of piety.” (Catholic Code of Canon Law)

On the Fridays **outside of Lent**, the United States conference of bishops obtained the permission of the Holy See (Vatican) for Catholics in the United States to substitute a (continued on page 4)

This two-part series on the history of synodality in the Church will examine both the use and misuse of synods, how they are distinct from Ecumenical Councils, and how to interpret the ongoing "Synod on Synodality" in the broader context of Church history. Lecture: 7:00pm. Registration is required. To Register, visit <https://instituteofcatholicculture.org/events/orthodoxy-and-synodality>

### PRO LIFE QUOTE

To be actively pro-life is to contribute to the renewal of society through the promotion of the common good. It's impossible to further the common good without acknowledging and defending the right to life, upon which all the other inalienable rights of individuals are founded and from which they develop. *St. John Paul II*  
"Not even one abortion per week is acceptable. Not one per month. Not one per year. Not one in our lifetime... The dignity of the human person begins at the moment of conception, not at birth. The dignity, as recognized by the signers of the Declaration of Independence, is bestowed by the Creator, and no one has the right to destroy innocent unborn life." *Archbishop Samuel Aquila*

**USCCB’s National Eucharistic Revival**

The National Eucharistic Revival is a three-year initiative sponsored by the Bishops of the United States to inspire and prepare the People of God to be formed, healed, converted, united, and sent out to a hurting and hungry world through a renewed encounter with Jesus in the Eucharist – the source and summit of our Catholic faith. The Revival officially launched in June 2022, and its milestone event will be a National Eucharistic Congress in Indianapolis, IN, from July 17-21, 2024. The National Eucharistic Revival and National Eucharistic Congress are a direct response to the Holy Father’s call for a “pastoral and missionary conversion which cannot leave things as they presently are” so that the Church in the United States might be “permanently in a state of mission” (Evangelii Gaudium, n. 25).

This Eucharistic movement seeks to bring together clergy, religious, laity, apostolates, movements, and parish and diocesan leaders to spur momentum, collaboration, and lasting impact for the renewal of the Catholic Church in the U.S. over the next three years. Each year will have a strategic focus for formation and missionary discipleship.

**Year One (2022-2023): Year of Diocesan Revival**

During the first year, the U.S. bishops will be inviting their presbyterates, diocesan teams, and parish leaders to a renewed love for Jesus in the Eucharist by hosting and highlighting diocesan-wide events such as Eucharistic congresses and days of formation centered on the mystery of the Eucharist in the life of the Church. # NEWS FROM SAINT MICHAEL AND SAINT PAUL

(from page 1) penitential or a charitable practice of their own choosing. Catholics must do some penitential or charitable practice on Fridays outside of Lent. For most people the easiest practice is to consistently abstain from meat on all Fridays of the year. **During Lent** abstinence from meat on Fridays is obligatory in the United States and throughout the world. (from www.ewtn.com)

The practice of doing penance or charitable works on Fridays is an important part of our Catholic Faith. God blesses our little efforts to atone for our sin and the sins of others. Not eating meat on Fridays is a practical sacrifice that involves discipline and often a real sacrifice. It is also possible to offer another sacrifice instead of not eating meat on a Friday. What is important for us is to practice, in a spirit of loving devotion, the offering of penances and sacrifices to our good Lord, in union with His great and salvific sacrifice on the Cross! Finally, let us continue to invoke the Holy Spirit in union with our Blessed Mother for an outpouring of the Grace upon the human family:

**Come, Holy Spirit, fill the hearts of Thy faithful, and kindle in them the fire of Thy Love.**

**V. Send forth Thy Spirit, and they shall be created;**

**R. And Thou shall renew the face of the earth.**

**Let Us Pray: O God, Who has instructed the hearts of the faithful by the Light of the Holy Spirit, grant that by the same Spirit we may be always truly wise, and ever rejoice in His consolation. Through Christ our Lord. Amen.**

Through the intercession of Mary, the Immaculate Conception, St. Joseph, St. Paul, and St. Michael, may our good Lord grant peace and mercy to the whole world!

In Christ through Mary,  
Fr. Kasel

## NFP (Natural Family Planning) Awareness Week: July 24 - 30, 2022

**Called to the Joy of Love:** Supporting God's gifts of love and life in marriage - Celebrate and reverence God's vision of human sexuality!

**Natural Family Planning Awareness Week** is a national educational campaign. The Natural Family Planning Program of the United States Conference of Catholic Bishops develops a poster each year with basic supportive materials. It is the individual dioceses, however, that offer a variety of educational formats in the local church to focus attention on Natural Family Planning methods and Church teachings that support their use in marriage. The dates of Natural Family Planning Awareness Week highlight the anniversary of the papal encyclical *Humanae Vitae* (July 25) which articulates Catholic beliefs about human sexuality, conjugal love, and responsible parenthood. The dates also mark the feast of Saints Joachim and Anne (July 26), the parents of the Blessed Mother. For additional information please visit: <https://www.usccb.org/topics/natural-family-planning/national-nfp-awareness-week>
